كما قرأت في العنوان بالأعلى، تلك قصة حقيقة تعود أحداثها إلى الربع الأول من القرن الماضي عام 1924 م في بنسلفانيا تحديداً، حيث قام كلب يُدعى "بيب" بقتل قطة زوجة حاكم ولاية بنسلفانيا الأمريكية. قاتل بنسلفانيا الشهير أدين وحُكم عليه بالسجن مدى الحياة.

أدين الكلب بالقتل مع سبق الإصرار والترصد، وقيل في التقرير المكتوب إنه لم يُد أي أثر على الندم أو مشاعر الحزن لفعلة؛ مما دفع القضاة للحكم عليه بالسجن مدى الحياة غير المشروط!

دخل "بيب" إصلاحية في شرق البلاد قبل أن ينتقل مع فريق السجن إلى سجن Graterford الجديد حيث مات ودُفن هناك.

لم تنتهِ القصة بعد، يُقال إن قصة الكلب هي مُخلقة فقط وإنه لم يقتل القطة، وإن السبب الحقيقي وراء إرساله إلى السجن هو خوف حاكم بنسلفانيا على ابنه، حيث شعر بأن الكلب على وشك أن يُصبح مسعوراً، إذ كان يعض الوسائد ومفارش البيت فقام بإرساله إلى السجن، وكان عليه أن يُلصق به تهمة ما فكانت التهمة "قتل القطة".
